# COURSE SYLLABUS

---

Certification Program in  
DIGITAL MARKETING

# About Us

## What is IDM?

IDM- Integrated Digital Marketing Academy is a leading practical training institute dedicated to building Alnative, career-ready marketing professionals. Built from the ground up to close the gap between traditional digital marketing syllabi and modern agency requirements, IDM equips students with hands-on tool experience, live brand internships, and multi-platform certifications.

# Why Choose Digital Marketing with AI?

Digital Marketing is a constantly evolving field, and a career in Aldriven Digital Marketing has exponential growth potential. Brands are transitioning to AI-first, automation-driven marketing teams. Succeeding in today's competitive world requires absolute command over AI tools, Martech stacks, GA4 analytics, and automated campaign workflows.

## Who should sign up for our certification course?

If you are an eager, analytical thinker fascinated by AI, marketing automation, and performance growth, this program is for you. Only candidates ready to perform 120 hours of live practical work and complete a real 2-month brand internship should apply. No shortcuts, no excuses.

# What You Will Be Able To Do?

**Generative AI:**  
Master GenAI daily for content, ad copy, SEO, and hyper-personalisation..

**No-Code Automations**  
Build automated workflows & deploy a working AI marketing agent.

**Martech & CRM**  
Design lifecycle marketing automation & lead scoring pipelines.

**AI Strategy**  
Plan and execute an AI-integrated marketing strategy from scratch.

**Performance Ads**  
Run & optimize live Google Ads, Meta Ads, and organic social campaigns.

**Analytics & ROI**  
Set up GA4, Looker Studio dashboards, and attribution models.

**Portfolio Ready**  
Present a complete capstone campaign to a hiring panel.

# 2-MONTH LIVE INTERNSHIP

## (MONTHS 3 & 4)

Converts classroom skill into workplace-ready experience. Work directly on live brand accounts under mentor supervision with weekly deliverables.

### Month 3: Applied Foundations

- Onboarding onto a live client or in-house brand account.
- Own SEO + social content calendar end-to-end for a real brand.
- Assist in live Google/Meta Ads campaign management under review.
- Weekly performance reporting using GA4 & Looker Studio.

### Graduation & Evaluation Criteria

|                            |     |
|----------------------------|-----|
| Attendance (Min 80% Live)  | 10% |
| 12 Module Assignments      | 25% |
| Month 1 Mini-Project       | 15% |
| Capstone Project (Month 2) | 25% |
| Internship Mentor Sign-off | 25% |

### Month 4: Ownership & Specialization

- Independently manage one full marketing channel (SEO, Paid Ads, or Automation).
- Build and ship one live automation/AI-agent workflow in production.
- Prepare full campaign performance review & optimizations.
- Final internship presentation + performance appraisal.

### Capstone Project Brief

Students select a real or simulated brand to build an end-to-end AI marketing campaign:

**Strategy:** Goals, ICP, Funnels & Channel Strategy.

**Content & Ads:** AI-assisted creatives & live ad set.

**Automation:** 1 working workflow / AI marketing agent.

**Analytics:** GA4 Dashboard with ROI & attribution.
